Award for **Excellence** IN ACADEMIC LEADERSHIP

ACAD is proud to announce the second annual Award for Excellence in Academic Leadership.

The award was established by ACAD to recognize individuals who exemplify excellence in academic leadership through shaping and supporting positive change on their campuses and in their communities. **This year's recipient is Dr. Kristine Bartanen, Provost, University of Puget Sound.**

Inside and outside the academy, Dr. Bartanen truly embodies all that the ACAD Board wishes to promote and recognize as a recipient of this award. Please join us in congratulating Dr. Bartanen.

The presentation will take place during the Keynote Luncheon on Friday, January 25, 2019.
